**To:** All Media Outlets  
**From:** Anthony Goodnight, Director of Public Works & Engineering Services  
**Subject:** State Street Road Closure (Briant Street to Condit Street)  
**Date:** July 12, 2018

---

On Monday, July 16, 2018, State Street will be closed between Briant Street and Condit Street. This closure is to allow for sewer improvements as part of the Long Term Control Plan CSO 008 Storm Sewer Separation Project. Once in place, the closure is expected to last approximately one week. Access to local businesses will always be maintained.

A detour will be established and will use Briant Street; Franklin Street; and Condit Street. Appropriate detour signage will be installed to guide traffic.

As with most construction projects, it is dependent on weather and subject to any unforeseen conditions. We will work as quickly as possible and ask that you have patience as we make improvements to the neighborhood. Questions about the project or closure can be directed to the Department of Public Works and Engineering Services at (260) 356-1400 x 2020.
