The Mission of Huntington County Community Corrections is to provide the local court system with alternative sentencing and to make the community a safer place through a balanced system of evidence-based practices and services to the offenders. Huntington County Community Corrections strives to provide a safe environment, effective management of offenders, and worthwhile programs for offenders that will assist them in life while providing them with an opportunity to maintain their family structure.

The Vision of Huntington County Community Corrections is to provide meaningful, affordable, cost-effective alternatives to the offender population that instills individual accountability while redirecting behaviors using evidence-based practices to provide for successful re-integration into society.
