- Two (2) copies of the Storm Water Calculations – If proposing to waive, applicant must meet with the Huntington County Surveyor**
- Electronic copy of site plans, building plan, and calculations if applicable. May be submitted as a PDF in an email, CD or other format in addition to paper copies**

If any of the following items listed above are not submitted, the application will not be processed. All items on this checklist are required for submittal and a meeting date will not be scheduled until those items are received by the Department.

County / Town Development Plan Information

Development Plan approval is required for all development in the following zoning districts: A, SR, R-2, R-4, R-8, R-20, RMH, LB, GB, AB, M-1, M-2, and POD.

Development Plan approval is not required for the following land uses, unless the development includes a proposed building over 10,000 Sq. Ft.:

Single-Family Dwelling	Two-Family Dwelling
Livestock Operation (minor or intensive)	Farm
Commercial Forestry Production	Fish Hatchery
Manufactured Home Type I or II	Home Occupation Type I or II
Park	Kennel
Child Care Home	Day Care Home
Cemetery	Utility Service Structure, Station or Yard
Communication Tower	Group Home
Planned Unit development	Child Caring Institution
Child Care Center	

- No Improvement Location Permit or Building Permit shall be issued until a required Development Plan is approved.
 - No site excavation work shall begin prior to development plan being approved.
 - The Huntington County Zoning Ordinance (specifically Section 1050) and the Huntington County Storm Water Control Ordinance are the applicable Codes.
-

The following items shall be submitted to the Department of Community Development to initiate review of development plan:

1) Completed application form signed by the property owner

2) Payment of filing fees:

Multi-family dwelling:	\$10.00 per unit (\$150.00 min)
Commercial or Industrial:	\$150.00
Parking Lot (new or expansion, independent from construction):	\$150.00
Amended Development Plan - minor deviation:	\$25.00
Amended Development Plan - substantial deviation:	\$100.00

3) Eight (8) copies of a Site Plan shall be submitted (9 copies if within the town limits of Andrews, Markle, Roanoke, or Warren), drawn on one or more sheets of paper measuring not more than twenty-four (24) inches by thirty-six (36) inches, drawn to a scale as large as practical, and including the following information:

A) Scale, date, north arrow, vicinity map, and title of the project;

- B) The boundaries, dimensions, and total gross acreage;
 - C) The relationship of the development to the surrounding road system, including the width of the adjacent roadways;
 - D) The location and dimensions of existing manmade features such as roads, utilities, and structures, with indication as to which are to be removed, relocated, or altered.
 - E) The location and dimensions of existing easements, watercourses, county drains, water and sewer lines, well and septic tank locations, and other existing important physical features in and adjoining the development;
 - F) The location and delineation of existing trees (12" in diameter or larger), with indication as to which trees will be removed. Wooded areas shall be indicated as such on the plan;
 - G) Identification of existing land use and zoning of the development site and adjacent properties;
 - H) A layout of the proposed building site including the following site data:
 - 1) Finished floor elevations
 - 2) Common open areas
 - 3) Landscaping and buffer areas
 - 4) Internal circulation patterns including off--street parking and loading facilities
 - 5) Total project density (residential)
 - 6) Building area
 - 7) Percentage of impervious and near impervious surface coverage
 - 8) Percentage of open space areas
 - 9) The shape, size, location, and height of all structures
 - I) Size, location, and orientation of proposed signs;
 - J) Proposed lighting of the premises;
 - K) Name and address of developers/property owners; and
 - L) Size and location of site utilities, including: sanitary sewer or septic, storm sewer, water, gas, and electricity.
- 4) Eight (8) copies of a Storm Water Management Plan submitted in accordance with the Huntington County Storm Water Control Ordinance, which shall include the following information:
- A) Contours of the site with elevations of the pre-developed site and proposed finish grade;
 - B) Size of the watershed;
 - C) Method of calculation of stormwater run-off;
 - D) Location, size, and capacity of drainage facilities serving the development;

- E) Proposal for the management of stormwater;
- 5) Traffic Management Plan, which shall include the following information:
 - A) Traffic generation analysis for proposed use
 - B) Distribution and assignment of traffic
 - C) Adjacent roadway/intersection improvements
 - D) Future right of way dedications
 - E) Additional roadway needs
- 6) A description of the nature and intensity of proposed uses in the development
- 7) Statement of capacity of sanitary sewer system to service the development
- 8) Legal description of the property proposed for development

Upon written request from the applicant, the Commission may waive the requirement to submit a site plan requirement, storm water management plan, and/or a traffic management plan. The Development Plan Committee may waive:

- 1) A site plan requirement if the item is not necessary for the Commission to adequately review the development plan.
- 2) The storm water management plan, if the development will have a negligible effect on increasing storm water runoff or altering the flow of storm water runoff.
- 3) The traffic management plan, if the development will have a negligible effect on traffic generation, traffic congestion, or traffic safety.

Development Plans shall be reviewed by the Huntington County Plan Commission Development Plan Committee in accordance with the Plan Commission Rules of Procedure. The Development Plan Committee has a minimum of five (5) business days to review the plans before holding a meeting.

The Development Plan Committee shall review a Development Plan to determine if the Development Plan:

- 1) Satisfies the development requirements specified in Section 1050(C) of the Huntington County Zoning Ordinance; and
- 2) Is consistent with the Comprehensive Plan.

Development Plan approval expires if an Improvement Location Permit is not issued for the approved development within two (2) years from the date of approval.

Upon request, and after good cause is shown, the time period within which an Improvement Location Permit must be issued may be extended by the Development Plan Committee for a time period not to exceed one (1) year.

If the time period has expired without extension and without the issuance of such permit, the Director shall file with the records of the Plan Commission a certificate of non-compliance and no Improvement Location Permit shall be issued until a new application for Development Plan is approved.

A Development Plan authorizes only the development set forth in such approved plans and applications. Development different from the approved Development Plan, including any approved modifications thereto, shall constitute a violation of the Zoning Code.

Approval of the Development Plan shall in no way exempt the applicant from strict observation of applicable provisions of the Zoning Code and all other applicable law.

Any decision or determination of the Development Plan Committee or of the Director may be appealed to the Plan Commission. The following procedures shall apply:

- 1) Appeal shall be filed with the Department on a form provided by the Department within fourteen (14) days of the date of issuance of the decision.
- 2) Notice shall be provided to interested parties in accordance with the County Plan Commission Rules of Procedure.
- 3) The Commission shall review the appeal request at its next regular meeting, provided the appeal is filed at least ten (10) days prior to the meeting. If this requirement cannot be met, the appeal shall be scheduled for the next following Commission meeting.
- 4) The Commission may affirm, rescind, or modify the decision of the Director or Development Plan Committee. Only those items designated in the appeal request shall be heard and decided by the Commission.
- 5) No filing fee is required for an appeal.

The decision by the Commission on an appeal request is a final decision of the Commission that may be reviewed as provided in IC 36 7-4-1016.

County / Town Development Plan Application

- The application shall contain the signature of the property owner.
- All required plans and document shall be submitted:
 - Eight (8) Copies for County projects; or
 - Nine (9) copies for Town projects (Andrews, Markle, Mt. Etna, Roanoke or Warren)
- Filing fee paid to the Department of Community Development as follows:

Multi-family dwelling:	\$10.00 per unit (\$150.00 min)
Commercial or Industrial:	\$150.00
