ADOPT-A- FLOWERBED

VOLUNTEER PROGRAM

Interested in helping keep our City parks beautiful? Consider adopting a flower bed at one of our many park locations. It is a simple way to stay active and give back to your community.

What we ask of those who volunteer on this project:

- > Keep your selected flowerbeds presentable by planting flowers and pulling weeds.
- > Remove all trash from your location.
- > Check your flower bed once or twice a week.
- > Commit to participate from June through October (depending on the weather).

The City Parks Department will provide flowers and tools as needed. Please reach out to the Community Engagement Volunteer Coordinator, Andrew Rensberger, if you are interested in volunteering.
