Overview:

S.P.A.R.K. is a 6 week summer program for kids ages 4-14. S.P.A.R.K. will begin on June 6th and run to July 15th. With the exception of July 4th. Each park will be staffed with three trained directors. The parks include Memorial Park, General Slack Park and Drover Park. Hours are 9:00am to 3:30pm. Each Friday we will rotate between Memorial Park and Drover Park. The parent/guardian is responsible for dropping off and picking up at the correct park on Fridays. There is a registration fee of \$25.00 for each child. Each child will need their own registration form. The Huntington Community School Corporation provides a free lunch every day for the kids in the program. The theme for the year is Detectives. The children will engage in different challenges throughout the 6 weeks to see if they can solve clues and become the best detectives in Huntington!
