He has seen an increase in volume of recycling that he has sent out 300-400 tires every 3 months as well as paint and electronics. The Facebook and advertising TV screen advertising at the YMCA must be working. He is working on the Recycle logo for the YMCA banner, and a banner on the fence at the Landfill Solid Waste site for more visibility and including the hours. He can change out the digital ad at the YMCA every 3 months if the Board wants something else advertised. Scott donated some chemicals that were dropped off to the City Park Department for garden projects they could use. Scott requested buying a new aerosol can releaser machine for approx. $1300.
